

NG.1

N Willamette Blvd Neighborhood Greenway

PROJECT DESCRIPTION

New neighborhood greenway on N Willamette Blvd and N Reno Ave provides a direct connection to Cathedral Park and Sitton Elementary.

This project closes a gap in the biking network and provides access to multiple protected bikeways and nearby off-street trail connections.

Project elements may include:

- Wayfinding and signage
- Speed bumps as required
- Improved crossings at busy streets
- A traffic diversion strategy will be required at the southern end near the St Johns Bridge to reduce cut-through traffic on the local section of Willamette Blvd.

Traffic diversion strategy required to encourage longer distance vehicle trips to use N Ivanhoe Street when accessing the St Johns Bridge

ESTIMATED PROJECT COSTS:
