

## NG.12

# North Overlook Neighborhood Greenway Network

### PROJECT DESCRIPTION

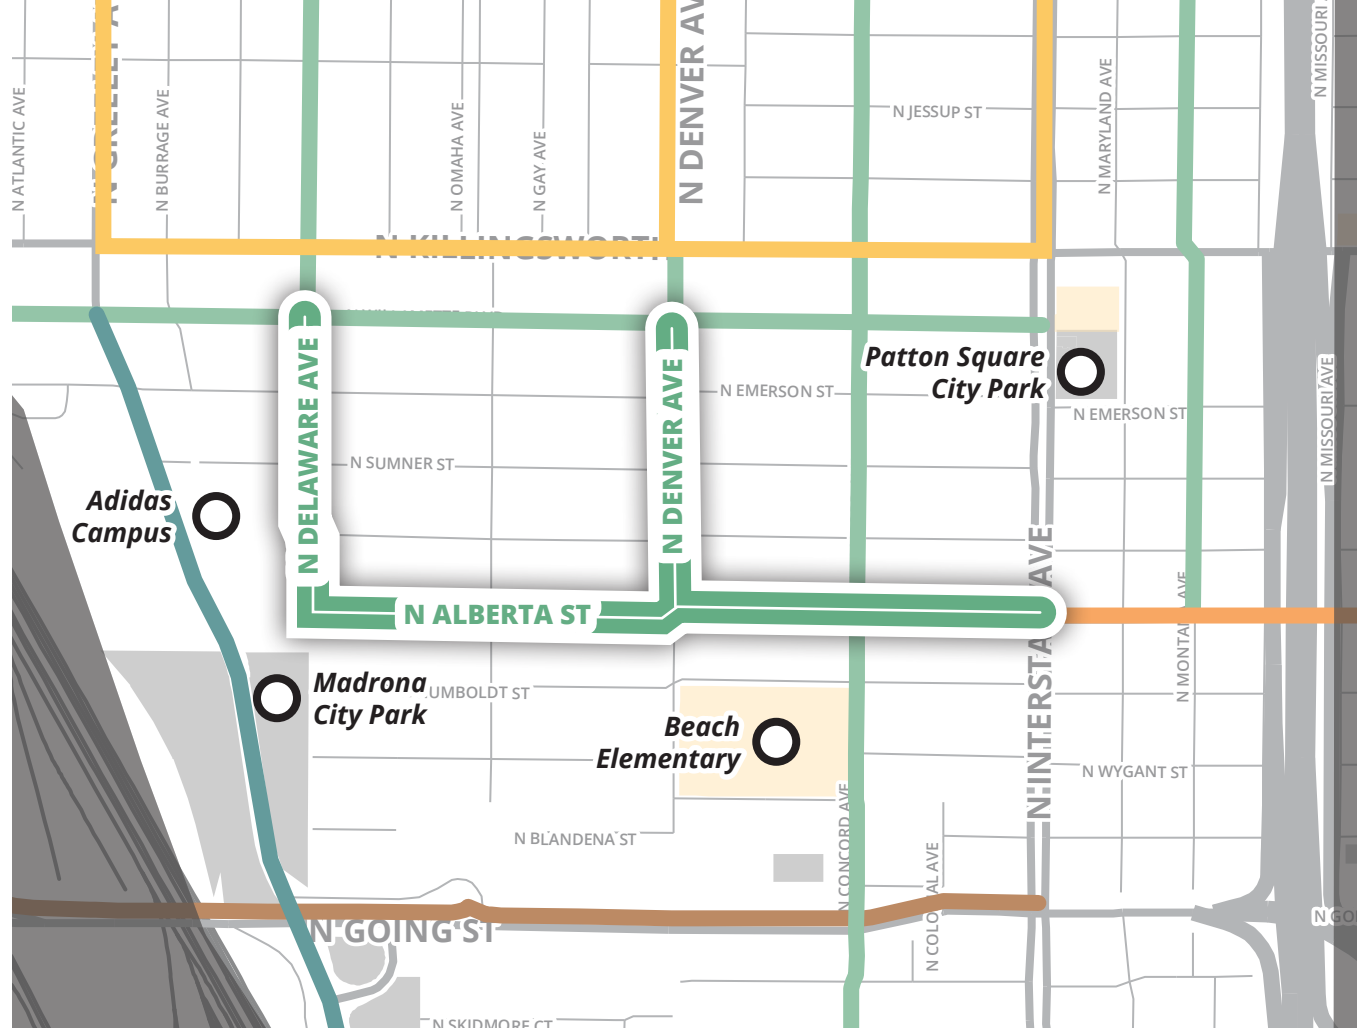

A new neighborhood greenway connection on N Alberta and N Delaware, providing more direct bike access from Alberta into the North Overlook neighborhood.

Provides access to Beach Elementary (via N Concord), the Adidas campus on Greeley, and links into the Concord and Willamette neighborhood greenways.

#### Project elements may include:

- Wayfinding and signage
- Speed bumps as required
- A path connection is required near N Delaware Ave and N Alberta St.
- A traffic diversion strategy would be required as traffic volumes on N Denver Ave and N Alberta St do not meet neighborhood greenway guidelines.
