

NG.2 Upper St Johns Neighborhood Greenway Network

PROJECT DESCRIPTION

A bundle of new Neighborhood Greenways in the northern section of St Johns intended to fill major gaps in the network, using three primary routes:

- N Burr Ave
- N Charleston Ave
- N Bank / N Bristol / N Swenson

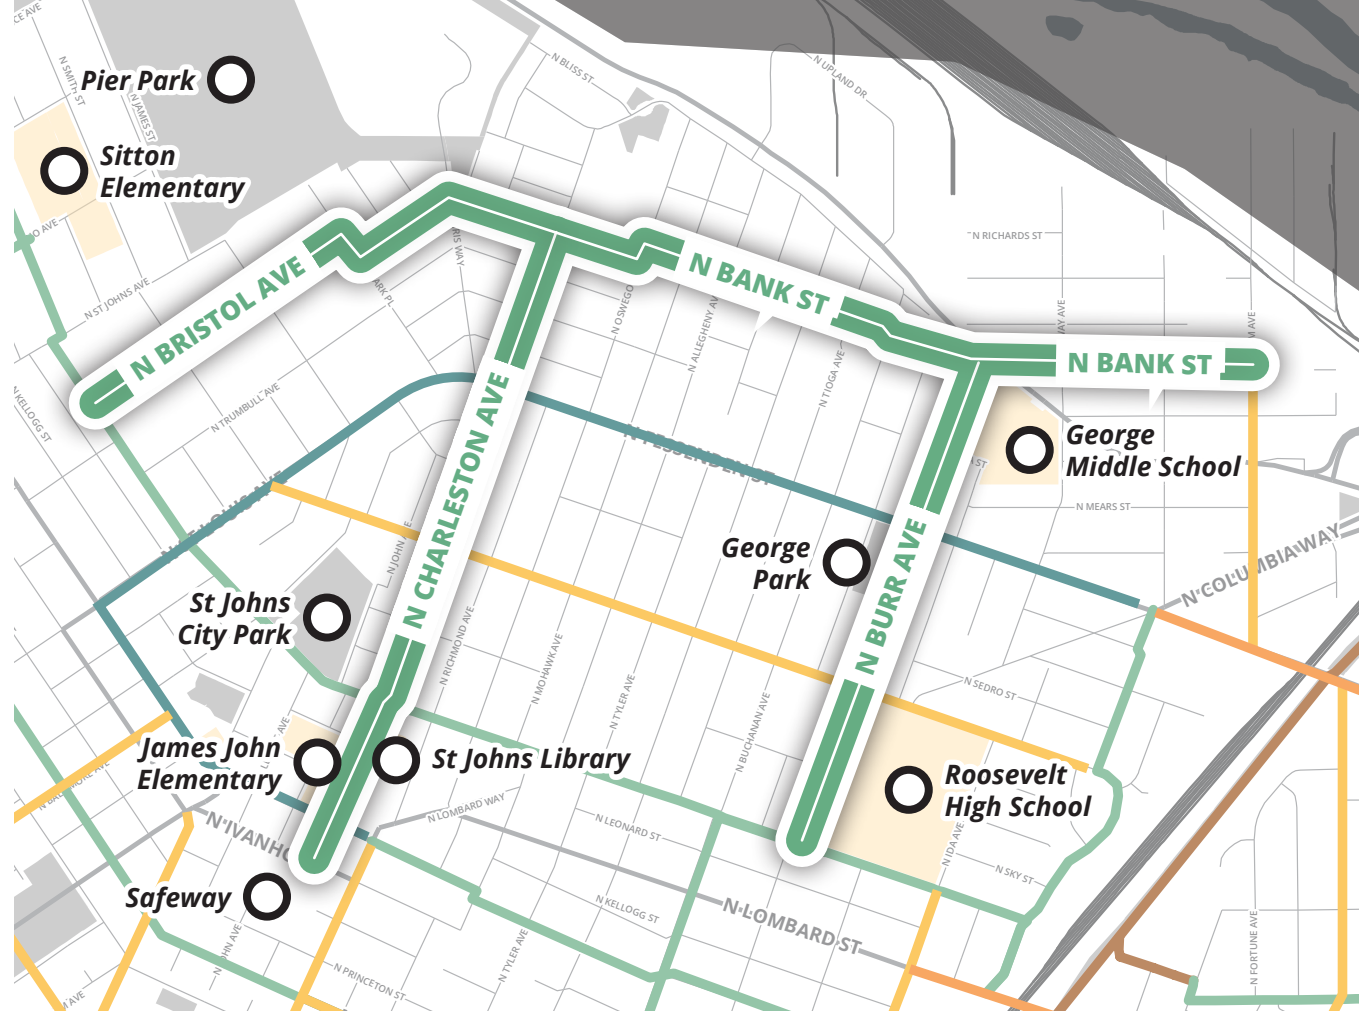

Provides a direct connection to George Middle School, James John School, Roosevelt High School, St Johns Library, St Johns Farmers Market, and Downtown St Johns.

This project would primarily use existing crossings of busier streets like N Fessenden or N Columbia Blvd.

Project elements may include:

- Wayfinding and signage
- Speed bumps as required
- Crossing enhancements may be required at busier streets.
- Initial analysis suggest that this route already meets PBOT standards for traffic volumes on Neighborhood Greenways; traffic diversion is not likely to be required.
