

## NG.4

# Lower St Johns / Cathedral Park Neighborhood Greenway Network

### PROJECT DESCRIPTION

A bundle of new Neighborhood Greenways intended to create a network in the southern section of St Johns and Cathedral Park.

#### A N Jersey Neighborhood Greenway

would provide a parallel route to the south of N Lombard St and a direct connection to Fred Meyer and the Downtown St Johns commercial district.

#### A N Buchanan Neighborhood Greenway

would provide a north/south connection between N Willamette Blvd with good access to the existing N Central Neighborhood Greenway and Roosevelt High School. This project would utilize the existing signalized crossing at N Lombard St. *An alternate route could utilize N Burr Ave, but would require ODOT approval for a new crossing at N Lombard St.*

#### Project elements may include:

- Wayfinding and signage
- Speed bumps as required
- Additional analysis is required to determine if traffic diversion required in some areas.

### ESTIMATED PROJECT COSTS:

N Jersey at N Lombard

Roosevelt High School
