

NG.7

N Woolsey Ave Neighborhood Greenway

PROJECT DESCRIPTION

A new north/south Neighborhood Greenway connecting University Park, Portsmouth, and the New Columbia areas of North Portland.

This project would provide a direct connection to New Columbia, the largest affordable housing development in the state of Oregon as provide close access to other important community destinations like McCoy Park, Rosa Parks Elementary, and the Boys and Girls Club.

Project elements may include:

- Wayfinding and signage
- Speed bumps as required
- Improved crossings of busier streets though existing signal is used at N Lombard St.
- Strategies to reduce bike/bus conflict on N Fessenden St.
- Traffic diversion would be required as traffic volumes on N Woolsey St do not meet neighborhood greenway guidelines.
